Wood Lockhart, Setting Airport Safety Standards, Aug.; Communicating for Safety, Sept.; FAA Misses the Mark on Brasilia Icing Upsets, Sept.; The Mystery of Business Express Beechcraft 1900 N811BE, Nov./Dec.; Safety Goes Global, Nov./Dec.

Sumwalt, Capt. Robert L. (US Airways), A Human Performance Evaluation: The Effects of Airport Curfews on Flight Crew Performance, Mar.; Avoiding the Fate of Icarus, Apr.

van Heerden, Capt. Tony (South African Airways), An African Odyssey, May.

VEBA Trust Review Board, Financial Planning: A Sound Way to Secure Your Future, Feb.

Woerth, Capt. Duane, Gathering on the Nile, June/July.

Wright, Jerry, Who Can Ride the Jumpseat? May.

Zall, Milton, Long-Term Care Benefits, Aug.

SUBJECTS

Accidents/Incidents: Wildlife Hazards to Aircraft, Jan.; ASA 529: The 'Red Herring' Stank, Mar.; The Uncharted IFR Departure Procedure, Apr.; A Changing Accident Pattern, May; Hazardous Materials, Smoke, Fire, Part 1, Apr.; Part 2, May; Preventing Runway Incursions—Part 1, June/July; Part 2, Aug.; Comair Flight 3599, Sept.; FAA Misses the Mark on Brasilia Icing Upsets, Sept.; Accident Investigation, Nov./Dec.; The Mystery of Business Express Beechcraft 1900 N811BE, Nov./Dec.

Aeromedical: Keep 'em Flying, Apr.; 'What Can I Take and Still Fly?' June/July.

Aircraft: Flying the ATR 42-500, Jan.; Canadair Regional Jet Flight Evaluation, May; Embraer 145 Flight Evaluation, June/July.

Airports: Preventing Runway Incursions—Part 1, June/July; Part 2, Aug.; Capt. Wood Lockhart, Setting Airport Safety Standards, Aug.

Air traffic control: Figuring Out Free Fight, Jan.; Test Your Communications IQ, Jan.; An African Odyssey, May; Communicating for Safety, Sept.

ALPA: BOD 96—Welcome to the Evolution, Jan.; ALPA's Aeromedical Program, Part II, Jan.; A Historic Union, Feb.; ALPA's Voice on Capitol Hill, Mar.; An ALPA Trio *com Brio* in Rio, Mar.; Labor's Biggest Wind [Behncke], Apr.; Executive Council Takes Action, Apr.; Membership Committee Makes Its Debut, Apr.; Keep 'em Flying [Aeromedical], Apr.; Into the Future [Info Services Dept.], May; ALPA Leaders Set New Goals, June/July; International Conference on Disruptive Airline Passengers, June/July; Gathering on the Nile [IFALPA], June/July; Office Support Services, Aug.; ALPA-Canada and Air Safety, Aug.; Keep Those Presses Rolling! Sept.; Introducing ALPA's Intranet, Oct.; Getting the Message Out [Communications Dept.], Oct.; ALPA at Oshkosh, Oct.; Accident Investigation, Nov./Dec.; Safety Goes Global [Air Safety Forum], Nov./Dec.

Aviation history: National Airlines: The St. Petersburg Years—1934-1939, Feb.; An Aviation Pioneer and His Legacy [Luscombe], Mar.; Labor's Biggest Wind [Behncke], Apr.; Human Factors Contributions of the Wright Brothers, May; Capt. Burnham's Ryan Brougham, May; Realities of a Global Pilot Strategy, Part II—Code-Sharing, June/July.

Aviation industry: A Look at the Airline Industry, Feb.; An Aviation Pioneer and His Legacy [Luscombe], Mar.; Realities of a Global Pilot Strategy, Part III: Wet-Leasing as a Management Ploy, Oct.; The Dollars and Sense of Risk Management and Airline Safety, Nov./Dec.

Aviation safety: Wildlife Hazards to Aircraft, Jan.; Restoring Public Confidence in FAA's Aviation Safety Oversight, Feb.; A Human Performance Evaluation: The Effects of Airport Curfews on Flight Crew Performance, Mar.; A New Era of Aviation Safety, Mar.; An ALPA Trio *com Brio* in Rio, Mar.; Avoiding the Fate of Icarus, Apr.; International Conference on Disruptive Airline Passengers, June/July; ALPA-Canada and Air Safety, Aug.; Do Portable Electronics Endanger Flight? Part I, Aug.; Part II, Sept.; Communicating for Safety, Sept.

Awards: Capt. Wood Lockhart, Setting Airport Safety Standards, Aug.

Crew resource management: Building a Bridge to Safety, Feb.

HazMat: Hazardous Materials, Smoke, Fire, Part 1, Apr.; Part 2, May.

Health: 'What Can I Take and Still Fly?' June/July; Skin Cancer: A Pilot's Primer, Aug.

Hiring: UPAS Takes Off, Jan.

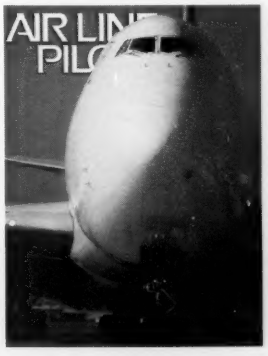
Human factors: Battling Fatigue, Feb.; Avoiding the Fate of Icarus, Apr.

International aviation: An ALPA Trio *com Brio* in Rio, Mar.; A Global Pilot Strategy, Part I: Harmonization, Apr.; An African Odyssey, May; Realities of a Global Pilot Strategy, Part II: Code-Sharing, June/July; Gathering on the Nile [IFALPA], June/July; Realities of a Global Pilot Strategy, Part III: Wet-Leasing as a Management Ploy, Oct.

Jumpseat: Who Can Ride the Jumpseat? May.

Lifestyle: Feasting on the Fly, Apr.; A Family Affair [Reno Races], June/July; Reflections at 5:30 a.m., Aug.; Did Magee Really Do That? Sept.; Retired B-727 Takes Flight, Oct.; Diamonds, Runners, and Home, Oct.; ALPA at Oshkosh, Oct.; Flying in the Reel World, Nov./Dec.; A Commute of Christmas Past, Nov./Dec.

Management: Realities of a Global Pilot Strategy, Part III: Wet-Leasing as a Management Ploy, Oct.; The Dollars and Sense of Risk Management and Airline Safety, Nov./Dec.



Personal finances: Financial Planning: A Sound Way to Secure Your Future, Feb.; Pilot Travel Expenses and Per Diem Update, Mar.; Variable Annuities, Sept.

Pilots: Test Your Communications IQ, Jan.; Destination North Pole, Feb.; Don't Forget to Say Goodbye, Mar.; Feasting on the Fly, Apr.; Who Can Ride the Jumpseat? May; Capt. Wood Lockhart, Setting Airport Safety Standards, Aug.; Reflections at 5:30 a.m., Aug.; Becoming an Airline Pilot, Aug.; For the Record, Sept.; Comair Flight 3599, Sept.; Retired B-727 Takes Flight, Oct.; Diamonds, Runners, and Home, Oct.; ALPA at Oshkosh, Oct.; Flying in the Reel World, Nov./Dec.; A Commute of Christmas Past, Nov./Dec.

Retirement & insurance: ALPA R&I Survey of Needs, Mar.; Protecting Your Future, June/July; Long-Term Care Benefits, Aug.; Variable Annuities, Sept.

Security screening: Security Screening: A Successful Deterrent, Oct.; Security Screening: The Front Line, Oct.

Training: The Uncharted IFR Departure Procedure, Apr.

U.S. government: The 105th Congress, Feb.; Restoring Public Confidence in FAA's Aviation Safety Oversight, Feb.; ALPA's Voice on Capitol Hill, Mar.; For the Record, Sept.; FAA Misses the Mark on Brasilia Icing Upsets, Sept.
